Calls for proposals

Calls for proposals are funding opportunities issued by the European Union institutions, agencies and bodies. These are direct financial contributions, known as grants, that are awarded to third-party beneficiaries (e.g., research organisations, public entities, non-governmental organisations, and private companies) to engage in activities that serve EU policies.

Searching for and Analysing Potential Partners

Public Sources and Tools from the European Commission

1. Funding & Tenders Portal – Partner Search

Use it to:

- Search for organisations interested in a specific topic.
- Publish your own profile to express interest in a call.

2. CORDIS – Previous Projects and Existing Consortia

Use it to:

- Identify who has coordinated or participated in previous projects in your area.
- Find frequent leaders and partners within specific topics or destinations.

3. NCP Platforms and Thematic Networks

Some host internal partner search boards or databases of consortia seeking partners.

Examples:

- NCP Health (HNN3.0)
- NCP4Industry

4. EURAXESS

Use the Partnering tool at EURAXESS main portal

Use it to:

- Search for organisation or individual interested in a specific topic
- Publish your own profile to express interest of collaboration
