Sifat : Segera
Lampiran : 1 (Satu) Berkas
Hal : Penyampaian Informasi terkait EPO *Young Inventors Prize 2025*

1 Agustus 2024

Yth.
(daftar undangan terlampir)
di
tempat

Sebagai tindak lanjut atas surat elektronik dari Mr. António Campinos, *President of European Patent Office* (EPO) tanggal 26 Juli 2024 Perihal: Nominasi *Young Inventors Prize 2025*, bersama ini kami sampaikan bahwa *European Patent Office* (EPO) telah membuka kesempatan bagi negara yang ingin mengajukan nominasi untuk *Young Inventors Prize 2025*. Adapun kriteria nominasi untuk *Young Inventors Prize 2025* adalah inovator dengan usia 30 tahun kebawah yang memiliki inovasi, tujuan dan kontribusi pada pembangunan berkelanjutan (*Sustainable Development Goals*).

Sehubungan dengan hal tersebut, kami harapkan Saudara dapat mengajukan usulan nominasi inovator dalam kompetisi dimaksud melalui <https://nominate.epo.org/> paling lambat **27 September 2024**. Informasi rinci mengenai *Young Inventors Prize 2025*, dapat dilihat pada laman <https://www.epo.org/en/news-events/young-inventors-prize>.

Atas perhatian dan kerja sama yang baik, kami ucapkan terima kasih.

Direktur Kerja Sama dan Edukasi,

Show case your young talent: submit a nomination for the Young Inventors

Prize

Dear Ms Dewi Subijanto,

First and foremost, thank you to all those who supported the [2024 European Inventor Award](#). This year's finalists covered diverse technology fields and backgrounds, giving us many incredible stories to share in a lively ceremony.

Next year marks the start of a new journey with Iceland hosting the Young Inventors Prize. While the Prize adopts a new format now that it has spun out from the European Inventor Award, it follows many of the same ideals. It is a global showcase that transcends borders, cultures and technical fields, highlighting how younger generations can help society reach the United Nations Sustainable Development Goals.

Our nomination drive has begun, and national offices are among the best placed to identify rising stars and spot breakthroughs in innovation. I invite you to submit your proposals by 27 September via our [nomination platform](#). Further information on the new Prize concept, nomination process and selection criteria are available on [our website](#).

Furthermore, we would be grateful if you shared the call for nominations with your network. If you have any questions, please do not hesitate to contact the project team at europaean-inventor@epo.org.

We look forward to receiving your proposals.

Yours sincerely,
António Campinos
President of the European Patent Office
